Dear Member

FWAG and the Game & Wildlife Conservation Trust are part of a consortium promoting the Campaign against accidental and illegal poisoning (CAIP). The campaign aims to protect wildlife, livestock and pets by promoting the safe and legal use of pesticides to control pests on farm and within shoots. The project is funded by Defra through the Chemicals Regulation Directorate of HSE.

One of the main aims of the project is to ensure farmers and gamekeepers' are aware of the correct methods of pest control, including the use of pesticides, rodenticides, slug pellets, and trapping and how best to protect pets and wildlife.

The core of this training is being delivered through a series of training sessions that will take place during the coming year. There are two courses being delivered in the near future that may be of interest; they are

- 15<sup>th</sup> December at university of Cumbria, Newton Rigg.
- 

The programme for the day is outlined in the attached document. The event has been registered for both NRoSO and BASIS CPD points and will receive an allocation of 10 points.

As you will see from the programme registration is at 9.30am, refreshments will be provided throughout the day and there will be a light lunch available. There is a non-refundable booking fee of £10 (+ VAT) to cover the cost of lunch and refreshments.

Please ensure you bring suitable clothing and footwear as there will be some outdoor activities.

If you are interested in attending please could you confirm by completing and returning the attached booking form, together with your cheque for £11.50 (cheques should be made payable to "Farming & Wildlife Advisory Group").

For further information call Sue Higgins on 02476 698744 or e-mail [sue.higgins@fwag.org.uk](mailto:sue.higgins@fwag.org.uk). Places are limited and will be allocated on a first come first served basis. You will receive directions to the venue with your booking confirmation on receipt of payment.

We look forward to seeing you

Regards
