**Monitor Farms in Cumbria – find out more and get involved.
 Thursday March 19th, Threlkeld Cricket Club, 11am – 2pm, with sandwich lunch provided.**

Find out about what would be involved in being:

- A monitor farmer
- Part of the small working group that will take this project forward in Cumbria by selecting a beef and sheep farm and a dairy farm - and helping the farmer and the group to get the most from it
- Part of the wider group sharing the experience of monitoring and learning together

Robert Smith, Monitor Farmer in Ayrshire will be with us to discuss how he has benefited from the experience, with tips for us to get things right at the start of this project in Cumbria.

Please let us know if you are able to attend, so that we can book the lunch, and if you have any suggestions for nominations for the monitor farmer or the core working groups.

All the Best,

Will Rawling, Chair of Cumbria Farmer Network
