

# CUMBRIA FARMER NETWORK (RURAL FUTURES) LIMITED

## MEMBERSHIP APPLICATION FORM

There are 3 categories of membership: -

- **Farmer** – You must be engaged in farming activities in Cumbria (The Board has interpreted this as having a farm holding number with the prefix 08)
- **Corporate** – be a farmer controlled business engaging in farming activities in Cumbria
- **Associate** – Open to anyone who wishes to support the Network (no voting rights)

The core aims of the new company are: -

- To help maintain and develop a viable farming community in Cumbria
- To maximise rural income via food production and other activity
- To support, inform and educate
- To raise the profile of Cumbrian farming

It is intended that the aims be achieved through encouraging collaboration, improving technical efficiency and working with other organisations. We want feed-back from you about the things you need to make your farming enterprise sustainable.

The board is now looking for funding for the Network and our case is strengthened when we can demonstrate support from farmers through membership. Annual membership has been set at £25.00 plus £4.38 VAT
